Item Master: Default Manufacturer	Item Master: Item Number	Item Description	Condition	Item Serial Number	Sale price
Warranty: one year repair and return					
Installation and familiarization included					
All refurbished and ready to ship					
<b>Package A</b>		<b>Agilent LC System with Quaternary Pump &amp; Diode Array Detector</b>			<b>\$45,232.00</b>
		1260 Infinity Quaternary Pump with integrated 4-channel degassing unit. Includes Tool kit (001), starter kit (002), and Lab Advisor software (004).			
Agilent Technologies	G1311B(001,002,004)		Refurbished	DEAB713254	
Agilent Technologies	G1329A	1260 Autosampler	Refurbished	DE64765404	
Agilent Technologies	G1330B	1100 Thermostat	Refurbished	DE13202631	
		1200 Thermostatted Column Compartment			
Agilent Technologies	G1316B		Refurbished	DE60558601	
Agilent Technologies	G4212B(030)	1260 Diode Array Detector with flow cell	Refurbished	DEAA305297	
		OpenLab PC Bundle (Includes Software, PC & Printer)			
Agilent Technologies	M8380AA		New		
Agilent Technologies	M8500AA	LC Instrument Driver	New		
<b>Package C</b>		<b>Agilent 1260 LC System with Binary Pump and Variable Wavelength Detector</b>			<b>\$52,679.00</b>
		1260 Infinity Binary Pump Maximum pressure 600 bar. Includes active seal wash (030) and solvent selection valve (031). Degasser not included			
Agilent Technologies	G1312B(030,031)		Refurbished	DEACB03033	
Agilent Technologies	G1367E	1260 High Performance Autosampler	Refurbished	DEACO05104	
		1260 Thermostatted Column Compartment			
Agilent Technologies	G1316A		Refurbished	DEACN20571	
Agilent Technologies	G1330B	1290 Thermostat	Refurbished	DE60562984	
		1260 Diode Array Detector Includes Max-Light standard cell 10 mm.			
Agilent Technologies	G4212B		Refurbished	DEAA304611	
		OpenLab PC Bundle (Includes Software, PC & Printer)			
Agilent Technologies	M8380AA		New		
Agilent Technologies	M8500AA	LC Instrument Driver	New		
Agilent Technologies	M8360AA	3D Add-on	New		
<b>Package D</b>		<b>Agilent 1200 Series LC System with Isocratic Pump and Variable Wavelength Detector</b>			<b>\$40,916.00</b>
		1260 Isocratic Pump, Maximum pressure 600 bar. With HPLC System Tool Kit (001) and HPLC Starter Kit incl. 0.17mm id cap (002) and Agilent Lab Advisor Advanced (004).			
Agilent Technologies	G1310B(001,002,004)		Refurbished	DEAB902105	
Agilent Technologies	G1367E	1260 High Performance Autosampler	Refurbished	DEACO03482	
		1260 Thermostatted Column Compartment			
Agilent Technologies	G1316A		Refurbished	DEACN35612	
Agilent Technologies	G1330B	1290 Thermostat	Refurbished	DE60563370	
		1200 Series LC Variable Wavelength Detector with Standard flow cell (018).			
Agilent Technologies	G1314B(018)		Refurbished	DE63058280	
Agilent Technologies	G4225A	1260 Infinity High Performance Degasser	Refurbished	JPAAA01528	
		OpenLab PC Bundle (Includes Software, PC & Printer)			
Agilent Technologies	M8380AA		New		
Agilent Technologies	M8500AA	LC Instrument Driver	New
