# SOLAR MEDIA BACKGROUND

**Solar Media is an international vibrant media business with its headquarters in London and further offices in the US, China and Greece.**

With a portfolio that ranges from publishing, e-commerce, news provision to event delivery, Solar Media takes proud ownership of some of the most authoritative products within the Photovoltaics industry worldwide.

Solar Media has been focusing on developing the solar market for over ten years and has become indispensable as a promotional partner for our customers by consistently delivering audience engagement through quality content. Our aim is to deliver transparency to the solar and renewables markets worldwide by the provision of unbiased, relevant and high-quality information.

## OUR VISION

Contributing to a low carbon future by enabling improved communications, valuable connections and high value content for business decision making.

## OUR BRANDS

Solar Media Ltd.'s portfolio ranges from print, digital and online media to event management, with the aim of providing exceptional marketing opportunities to companies in the solar supply chain worldwide.

## STRATEGIC VISION

To be the No.1 media platform for the solar industry and become indispensable as a promotional partner for our customers by consistently delivering audience engagement through quality content.

The Solar Finance & Investment conferences are an excellent opportunity to meet other developers, potential investors, offtakers for solar farm projects, and EPC companies.

— ROB HUNTER,  
INNOVATIVE SOLAR SYSTEMS

Solar Finance SE Asia provided solid perspective and understanding from Regulatory, Business and Investors fraternity on investment in Solar Energy.

BIRJENDRA SANGWAIYA -  
AMPLUS ENERGY SOLUTIONS PVT LTD

It's great to know which developers are taking the lead in the Solar + Energy Storage space to compliment utility scale solar. The well planned event gathered all the right people to meet in one room.

MAX LEE JOHNSON -  
APLEXUS TECHNOLOGIES

Well done. Looking forward to the next conference, particularly to the excellent discussions on the solar power industry.

CARLOS GATMAITAN —  
MRC ALLIED

Solar & Storage Finance USA was packed with on point content and provided the close-knit environment to meet the folks I needed to.

EVAN TURE,  
INDIE ENERGY

A meticulously planned and well researched event of industrial think tanks! A great and resourceful platform for networking in South East Asia.

ANKIT MEHTA,  
PROSPER COAL AND ENERGY PTE LTD

Very professionally organized, enthusiastic speakers, very good networking opportunity.

INGMAR STELTER—  
GIZ

The highest concentration of finance partners in solar anywhere. Exceptional investment of time - I expect results with a direct impact on my business.

JOSH POWELL,  
REVOLUSUN

The Solar & Storage Finance & Investment Texas '18 Conference was a fantastic conference. We connected with investors we had not yet met and were surprised to have the depth of industry leaders and participants.

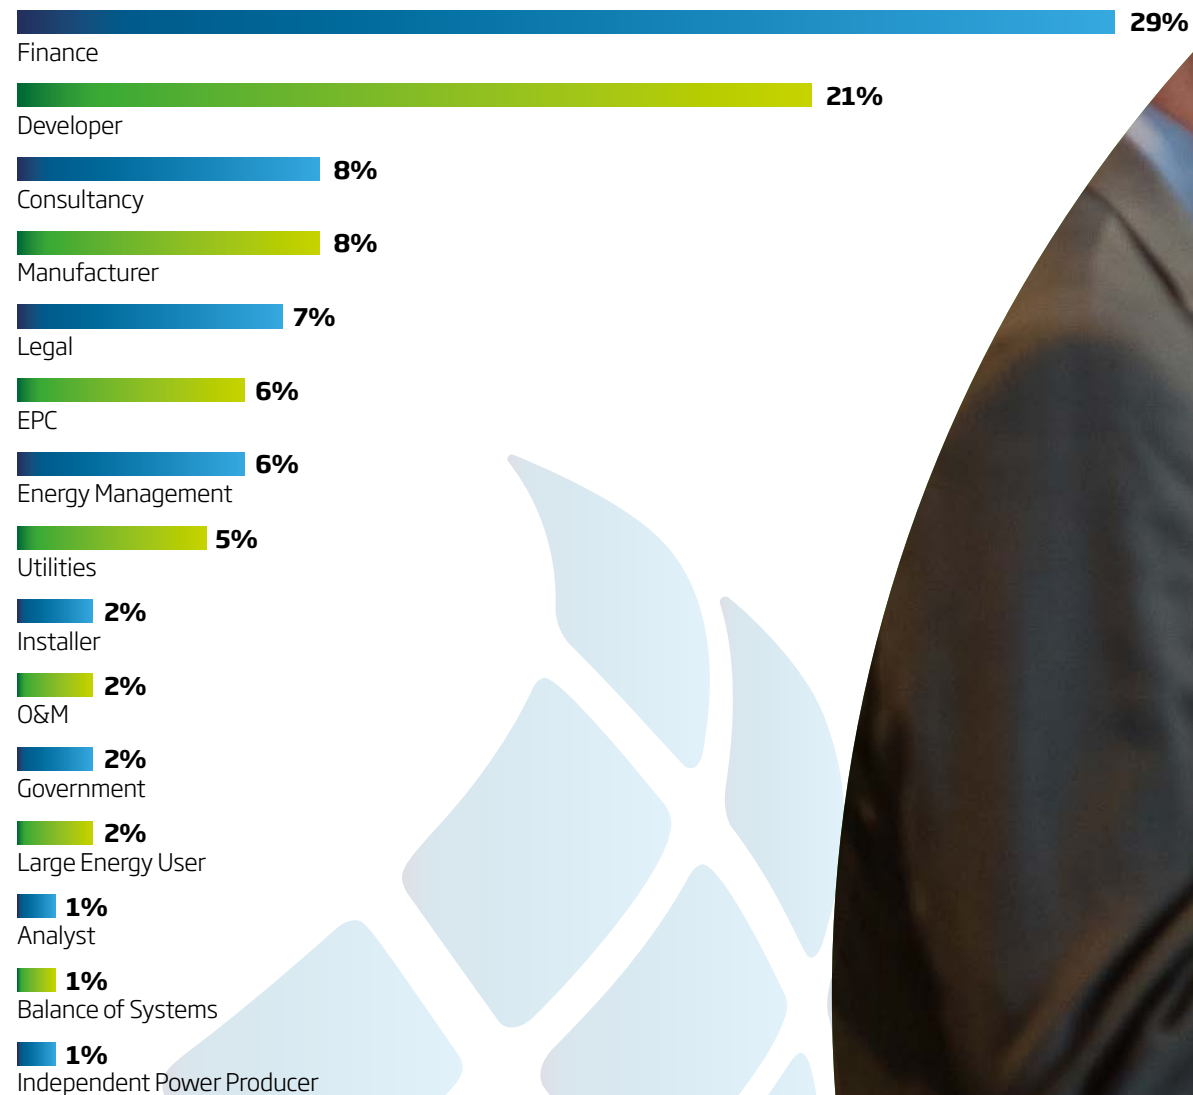

JOAQUIN ALTENBERG  
VERT SOLAR FINANCE

It was a great event for networking with the key stakeholders in the region. It has provided insights into the opportunities available in some of the relatively lesser known markets.

RAVI KUMAR -  
DEXLER ENERGY
