

INSTALL IT. DONE!

BRK Brands 10-Year product lineup provides hands-off, care-free devices that are either hardwired with 10-Year battery backup or battery powered with a 10-Year sealed lithium powercell battery. These devices eliminate the need for numerous battery replacements throughout the life of the alarm. Avoid the hassle of battery maintenance – find the alarm to best fit your job!

Cost Savings Over 10 Years

- ✓ **10-YEAR BATTERY**
- ✓ **10-YEAR WARRANTY**
- ✓ **10-YEAR MAINTENANCE FREE**
Refers to Battery Maintenance

DID YOU KNOW?

You can break-even in 1 year by eliminating estimated battery replacement and service costs! This small investment now can save approximately \$130 or more during the life of the alarm.*

- i** **9120LBL SMOKE**
SC9120LBL SMOKE/CO
- Y** Ionization Smoke Sensor
Electrochemical Carbon Monoxide (CO) Sensor (SC9120LBL only)
10 120V AC with 10-Year Lithium Battery Backup
Latching Alarm Indicator - Identifies the Initiating Alarm
Alarm Status LED Indicator
End-of-Life Signal (SC9120LBL only)
Test/Silence Button
10-Year Limited Warranty

- P** **PR710B SMOKE**
PRC710B SMOKE/CO
- 10** Photoelectric Smoke Sensor - For Less Nuisance Alarms
Electrochemical Carbon Monoxide (CO) Sensor (PRC710B only)
Sealed 10-Year Lithium Battery
Low Profile, Slim Design
Alarm Status LED Indicator
End-of-Life Signal
Test/Silence Button
10-Year Limited Warranty

- P** **7010LBL (1042736) SMOKE**
- Y** Photoelectric Smoke Sensor - For Less Nuisance Alarms
120V AC with 10-Year Lithium Battery Backup
Latching Alarm Indicator - Identifies the Initiating Alarm
Alarm Status LED Indicator
10 Test/Silence Button
10-Year Limited Warranty

- i** **SA350B SMOKE**
- 10** Ionization Smoke Sensor
Sealed 10-Year Lithium Battery
Alarm Status LED Indicator
End-of-Life Signal
Test/Silence Button
10-Year Limited Warranty

- P** **SC7010BLV (1042734) SMOKE/CO WITH VOICE**
- Y** Photoelectric Smoke Sensor - For Less Nuisance Alarms
Electrochemical Carbon Monoxide (CO) Sensor
10 120V AC with 10-Year Sealed Lithium Battery Backup
Latching Alarm Indicator - Identifies the Initiating Alarm
Alarm Status LED Indicator
End-of-Life Signal
Test/Silence Button
