Schlage **Connect**[™]

SMART DEADBOLT

The Schlage Connect[™] Smart Deadbolt combines advanced features and compatibility with home automation systems — allowing homeowners to control their lock from anywhere and freeing them from the hassles of lost keys, being locked out, or hiding a spare for friends and family.*

More home automation options are available at Schlage.com/ConnectPartners.

FEATURES

- Use Z-Wave Plus or Zigbee enabled system to unlock remotely, or use touchscreen to manage codes
- One button enrollment simplifies pairing of the lock with a security panel or smart hub
- 3-year limited electronics warranty and limited lifetime mechanical warranty**
- Battery-operated with low battery warning
- Slim exterior prevents interference with storm doors or other door preps
- Durable resistive touchscreen ensures wear pattern remains undetectable
- Installs in minutes with just a screwdriver – no hardwiring required

* Remote and smartphone access require a compatible smart home or security system. Features dependent on platform provider.

**See the product warranty for full details.
